Welcome to our 90th auction of quality antique advertising and fine collectibles. This is our 25th year of running our catalogued absentee auctions. Everything we sell is guaranteed authentic and as described. We attempt to grade condition both fairly and conservatively, using a scale of 1-10 on the advertising items (ten being absolutely mint). We do not list reproductions, re-issues, deceptively restored or pieced together type merchandise. Flaws and blemishes are prominently noted and over emphasized. We encourage you to call for a detailed description on any item you have an interest in, but respectfully must request that you do this before the closing night. Dimensions are listed by height, then width, and are only approximate (+ or - a quarter inch).

Bidding

Bids are accepted only from those parties who have registered with us to bid. (If you were mailed this catalogue by us you are automatically pre-registered.) Your bid is a legal contract to purchase and once entered, cannot be canceled. Placement of a bid indicates acceptance of our terms.

We suggest not waiting until the last minute to begin your bidding, as its quite possible you won't be able to get through.
